Section 72.

Substitute the following for Rules 1 to 4 under this Section:—

1. Privilege leave is not admissible to—

(a).—Officers serving in departments in which regular vacations are allowed, during which the officers are permitted to be absent from duty (e. g., Uncovenanted Judicial Officers, Educational Officers, Officers in a High Court).

(b).—District and Sessions Judges who are permitted to avail themselves of the periodical court vacations.

But in case of urgent necessity, privilege leave may be granted to any such Officer, under the ordinary rules; subject to the conditions, (1) that the Officer shall during his absence receive only half the salary and allowances ordinarily admissible during privilege leave, and (2) that the leave cannot in any case be combined with vacation.

2. Rule 1 does not apply to the case of an Officer who is, by general or special orders issued by competent authority, prevented in any year from availing himself of the vacation or vacations by reason of his having to remain at his post on duty. In such a case, privilege leave may be granted under the ordinary rules; provided always that the leave shall not in any case be combined with vacation.

3. An Officer who is, by general or special orders issued by competent authority, prevented from availing himself of a part only of a periodical vacation may, during privilege leave subsequently taken, draw his full salary for a period bearing the same proportion, if the vacation be annual, to a month, or if it be half-yearly, to half a month, as the time spent on duty during the vacation bears to the whole vacation.
